NOTE:—This is the 27th of a series of bulletins your officers will issue from time to time on activities of interest to the membership. If you have bulletin material send it to the secretary.

TROPHY AWARDS FOR 1947 COMPETITION

Here are the results of the club's 1947 trophy competition as compiled from A. K. C. records by Member M. D. Earle of St. John, N. B. Plaques commemorating these wins have been ordered and will be sent out on completion. . . . For the benefit of new members it may be well to restate that these trophies are awarded on the basis of official records of all licensed shows as published monthly in the American Kennel Gazette. Thus a member, wherever located, has only to exhibit to become a competitor.

The following letter carries a bit of news that may be of interest to members. Hence it is printed without comment:

"In some I. T. C. of A. literature I recall reading that the club was composed of breeders, exhibitors 'and a few who at the moment are neither but live in hopes of being both again.' It came to my mind when I heard recently that Dr. J. B. Richardson, veteran Louisville member, had bought a promising young bitch by the name of Ballycliff Ballerina, and that our ex-president, Gen. E. B. McKinley, had acquired the well-known Maradon Mary Ann from the kennels of the late Felix Donnelly. Add to this the fact that our veteran secretary is showing a bitch wearing the ribald name of Alehouse Annie, and we appear to have proof that at least three members can be transferred from the living-in-hopes category."
