2024 Membership Renewal

Dear ITCA Member:

Your annual dues and mandatory postage charges are due by January 1, 2024. Please pay your dues by then to save time and expense of a second notice. Because of the significant cost of mailing ITCA newsletters and other materials, the club is asking Lifetime Members to consider contributing to the annual postage charge per household. Although this payment is voluntary, it is most appreciated.

For each member in the household, indicate whether renewing as a Junior(J), Associate (A) Full (F) or Lifetime (L) member.

Donations to the ITCA

The Club depends on the support of its members in both time and money to accomplish its goals. For example, continuing anti-dog legislation and the desire to assist animals victimized by natural disasters are supported by the Legislative and Outreach fund (L&O Fund) and the AKC's Pet Disaster Relief Trailer (PDRT). The Club has established a fund to support the AKC's initiative for Health Research. Lastly, and equally as important, please consider supporting our Club in providing high quality trophies and ensuring continuation of its Champion Silver Medallion Legacy.
