## BULLETIN NO. 10—SEPTEMBER, 1945

### OUR PRESIDENT DECORATED

ROME, Italy—Admiral Ellery E. Stone, (right) chief commissioner, AC, congratulates Brig. Gen. Edward B. McKinley, acting vice-president, economic section, AC., after presenting him with the Legion of Merit for his work while chief of the Fiscal Division, office of the Quartermaster General.

In connection with the foregoing it will interest the membership to know that General McKinley, who holds an important post with the Allied Commission in Rome, has been in this country briefly on military business. He is hopeful of being back in the United States permanently by the end of the year. That he is still interested in Irish Terriers is indicated by the fact that while in London recently, on his way home, he spent a day or more looking up Irish breeders in that area.

Although they are likely to change at any time—in fact, may have been changed before this appears — limitations on dog shows have been such as to make I. T. C. of A. officials reluctant to take definite action at this time with reference to a specialty

show for 1946. Certainly as long as entries are on a zone basis it seems unwise for a club like ours to offer its full list of specials at any show in which all of its members would not be free to compete. So your officers have adopted a waiting policy pending further clarification of the show situation. . . . Meanwhile it is giving support to the September specialty show of the Pacific Coast Irish Terrier Club, believing that support of all such regional efforts is one of the important functions of the parent organization.

Those metal and enamel plaques, to be distributed to winners of the annual club trophies as outlined in bulletin No. 9, are now "in the works" and will be shipped as soon as they are completed.

H. C. Rice, Secretary-Treasurer.
