## President's Column

Dear Fellow Members,

The Great Western Terrier anniversary weekend was a great success! We enjoyed record entries and each of the shows' presentation was beautiful. Congratulations and gratitude are owing to Dennis Bryson, the ITSC President for having so expertly coordinated the chairpeople for both the ITSC Specialty and the Travelling Specialty. From beginning to end, the quality of this exhibition demonstrated the high level of professionalism and extensive preparation that was attendant to the planning of these events. Thanks again to Dennis and the Chairpeople who labored for nearly a year to attain these enviable results. The show records are reported later in the letter, but I want to congratulate all exhibitors for contributing to an unusually high quality entry.

In addition to providing an opportunity for us to see a large number of quality Irish, the Specialty weekends offer the equally exciting opportunity for members and guests to exchange views and ideas in a setting unique to a Specialty. These are valuable forums for enhancing and sharing our knowledge and experience. Please keep this in mind as the Montgomery weekend is only three months away. For those of you who have not had the chance to attend a specialty weekend, I promise a rewarding, enriching experience.

*Editor's Note: Deadline for article submission for the September newsletter is September 6, 1991.*

The American Kennel Club is in the process of establishing a centralized methodology for itself and its breed clubs to further promote General Education and Breeder referral. Naturally we will cooperate in this project.

I wish everyone a pleasant summer. Please continue to feel free to offer your comments or suggestions as to how we might improve our Club.

Sincerely,

Stephen Sundheimer

### Secretary's Report

There has been no new business transacted by your Board of Governors since the May newsletter which ends my report.

A few lines from Judy isn't official business, but just news on the Midwest and West Coast show weekends. Many of us can't attend these shows and I will try to give you some idea of the social side of the weekends and let the "official tabulators" fill you in on the winning dogs.

The weather in the midwest was quite hot, but smiles were abundant. The ITCA of Chicago hosted a dinner on Saturday which was enjoyed by all and we were entertained by a daughter of the Hanrahans doing some very fancy Irish dancing! The hospitality room was open for all -- but with shows early morning and everyone on the go, this reporter didn't spend much time there.

On to the West Coast and our California shows! Such a beautiful location next to the Rose Bowl in a pretty park-like setting. The Irish ring was a sight to behold with decorations, our flag flying, hospitality table under the tent and lots of our beloved Red Devils everywhere!! Again, the weather cooperated and was a bit cooler than in the midwest. The first day, Friday, we all noticed the dogs moving a bit awkwardly -- determined the grass was a bit high, so what did our host club do -- nothing but the best for our Irish -- of course had it mowed! And so went the entire weekend; everyone's comfort seen to, including our Irish.

The hospitality room in the hotel was open to all members and their guests which was very conducive to meeting many new friends and a good gathering place to converse. T-shirts, cookbooks and other items were available for purchase and for those of us that couldn't make it for the show, and/or had no room to cart back goodies, contact the local CA clubs for information regarding their items for sale. They can be ordered via the mail and telephone!

October is just around the corner and MONTGOMERY! Kate Johnson is working hard to make this weekend another successful one, and then she will turn the responsibilities over to others for the following year. Please contact Kate, or your board of directors to let us know you want to be involved in the Montgomery weekend for 1992. Kate let us know she will be available to assist, but not be in charge -- and after all -- Kate has had this responsibility for a few years running. It is her turn now to enjoy the weekend without being the hostess!

Respectfully,

  
Judy LaBash

## Education - A Weighty Matter

We breeders all enjoy hearing from people who have bought our puppies, with reports of the antics, progress, and quirks of Irish we've bred and placed in homes that are warmed and enlivened by their presence. It is always grand to know that our Irish are appreciated and enjoyed by their owners.

However, perhaps a word of warning is necessary for some doting, devoted owners! Key words in our Standard's description of the breed are: "... free from clumsiness, for speed, power, and endurance ... neither 'cobby' nor 'cloddy' but ... built on lines of speed, with a graceful, racing outline." I suggest that this description should be applied not only to our show dogs, but also to our beloved household pets.

I have had the disheartening experience that many other breeders have had - placing an Irish in a wonderful home where he/she is "loved too well." Last year I saw a 6-year-old dog of my breeding that had been turned, by his owner, into a waddling oaf, and a 4-

year-old bitch that had become a real blimp! To each owner I had to say, "You're being much too kind to your Irish!" (I really wanted to say, "You're killing him/her!")

Rarely do we hear of an adult Irish Terrier that is a picky eater. Any full-grown Irish knows which side his bread is buttered on, and how to get it, by way of his beguiling Blarney. I have never owned an Irish that would turn up his nose at a second helping, if it were offered. But in my house, it's never offered! I'm convinced that my "stingy attitude" has contributed to the fact that, in two decades, I've never owned an obese Irish. And so far, the only long-term Hibernian here that I've lost was a slender 15-year-old.

Please, let us all remember that an overweight Irish is not a healthy Irish. Owners, if you can see that your Daredevil is displaying an "avoir du pois" that diminishes his racy outline, please cut back on the size of his meals and the number of his treats. In so doing, you'll add years to his life!

The Irish Terrier Club of Northern California is proud to announce that they have been licensed by the AKC to hold pointed Obedience Trials in conjunction with their Specialty Shows. We are, I think, the first and only Irish Terrier Club to be so licensed, and we hope to hold our first Trial next April at our Spring Specialty Show in Sacramento, California. We invite all Irish Obedience buffs to start making their plans now to participate in the first all Irish Obedience Trial!

## Breed Rescue Update

Dear I.T.C.A. Members:

The first draft of our Breed Rescue Guidelines is in the hands of the Executive Board and Rescue Committee Members for their suggestions and input. These suggestions for revisions and additions to the Guidelines will then go out to the Board and Committee members for their further consideration. We are all in agreement on one point. We want to announce to the General Membership that the Irish Terrier Breed Rescue Program was voted into existence at the 1991 Annual Meeting in October. So we will be working hard in the next three months to make sure we accomplish this aim.

A truly effective Rescue Program will require the assistance and cooperation of all of our members, not just those who comprise the Rescue Committee, and we will be contacting you by way of a questionnaire offering several options from which you can choose to offer your assistance to the Program. We want to make sure our "Rescue Umbrella" reaches North to South and East to West. As mentioned previously, we already have several prospective foster homes listed, and many of you have contributed generously to the Rescue Fund. So we already have a head start!

I've been busy in this brief breathing spell trying to remember what it was I used to do before I started working on the Guidelines, and how I did it. Like washing windows, vacuuming, etc. etc. etc. My little nest is a general disaster area and I'm almost afraid of what I may find when I finally get it shoveled out. Maybe I had best leave well enough alone, and take the dog for a walk.

Sincerely,

*Mary O'Brien*

## Montgomery Weekend Update

As we near July, I realized that there wasn't much time to get this update put together. As you read in the last newsletter, it would be best if you mailed your room reservations as early as possible. The Holiday Inn has notified me that many of you have already returned your requests, **GREAT!**

The costs for food this weekend will be \$25.00 per adult and \$10.00 per child. The weekend will begin with the **DELI-NIGHT** after the Hatboro dog show on Friday. Look for the fun to begin around 5:30 p.m. in the Hospitality suite. The spread will last until 11:30 p.m. Saturday will begin with the Devon dog show (just down the road) and conclude with the ever popular auction and raffle. There will be a cocktail party with a cash bar and hot and cold hors d'oeuvres at 5:30 p.m. with the general meeting beginning around 6:30 p.m. Dinner will follow with the following choices of entrees: 8 oz. Prime Rib, Chicken Veronique and Cod Piccata. The child entrees include Burger and Fries or Chicken and Fries. Raffle tickets will be sold during the cocktail party. Please bring or send auction and raffle items to Kate Johnson, 2079 Maplewood Ave., Abington, PA 19001. Sunday, depending on the weather, there will be coffee or lemonade/ice water along with mini danish at ringside of the Montgomery show. I am really looking forward to seeing all of you the Fall. **Please send your dinner reservation in by September 20, 1991.**

Thank you,
